*Dotyczy: Preparatory Action on Defence Research – call for experts.*

*Szanowni Państwo,*

w nawiązaniu do pisma Nr 3074/DNI/3W z dnia 25.07.2017 r. dotyczącego *Preparatory Action on Defence Research* (PADR), uprzejmie informuję że Europejska Agencja Obrony (EDA) prowadzi nabór na niezależnych ekspertów technicznych do oceny propozycji projektów składanych w ramach PADR 2017.

Osoby zainteresowane udziałem w procesie oceny ofert powinny dokonać rejestracji na portalu Komisji Europejskiej (KE), pod adresem internetowym:

<http://ec.europa.eu/research/participants/portal/desktop/en/experts/index.html>

Jednocześnie informuję, że kandydaci muszą posiadać poświadczenie dostępu do informacji niejawnych Unii Europejskiej (*Personnel Security Clearance*) oraz, z chwilą zakończenia procesu rejestracji, zwrócić się do DNI/3W o stosowne potwierdzenie (*validation*). Eksperci już zarejestrowani powinni zadeklarować na portalu KE zainteresowanie udziałem w procesie oceny ofert PADR. Szczegóły dotyczące procesu naboru ekspertów zostały przedstawione w załączniku. Termin zgłoszenia kandydatów upływa wraz z terminem składania ofert PADR, tj. w dniu 21 września oraz 5 października br.

Do kontaktów w przedmiotowej sprawie wyznaczony został p. Przemysław Woźniak (tel. 261-846-738, [pwozniak@mon.gov.pl](mailto:pwozniak@mon.gov.pl)).

### EXPERTS FOR THE EVALUATION OF THE PROPOSALS OF THE PREPARATORY ACTION

Annex 1: Call for expression of interest for experts

The calls for proposals for the Preparatory Action were published on 7 June 2017 and are open until 21 September 2017 for the calls PADR-FPSS-2017-01 and PADR-STF-2017-01 and until 5 October 2017 for the call PADR-US-2017-01.

For the evaluation of the proposals of the Preparatory Action after the closure of the calls, EDA will select independent technical experts and make use of the experts database on the Participant Portal.

Member States are invited to encourage experts in the relevant domains of expertise to register in the Participant Portal:

<http://ec.europa.eu/research/participants/portal/desktop/en/experts/index.html>

Registrations can be done on a rolling basis (no deadline for registration) but is highly encouraged before the deadline of the calls.

For the evaluations, experts are needed:

- In the technical area of the Calls
- In Ethical, Legal and Societal Aspects

EUROPEAN  
DEFENCE  
AGENCY

EDA documentation for Government use only

It should be noted that the experts are required to be in the possession of a Personnel Security Clearance and a validation by the Member States that issued the Security Clearance.

Please refer to the Call for Expression of Interest for experts, as published on the EDA website, that you can also find at annex 1.

Annex 1**Call for experts to assist the European Defence Agency (EDA) with tasks in connection with the Preparatory Action on Defence Research**

1. The European Defence Agency (EDA) is establishing a database of independent experts who can be called on in connection with the **Preparatory Action on Defence Research (PADR)** (2017-2021) for the following tasks:
  - (a) evaluation of proposals
  - (b) monitoring of the implementation of actions
  - (c) ethics reviews, checks and audits.
2. EDA is looking for experts with a high level of **expertise** and professional experience in a military context, in one or more of the following areas:
  - Unmanned Platforms
  - Command, Control, Communications, Computers, Intelligence, Surveillance and reconnaissance (C4ISR)
  - Effects
  - Force Protection and Soldier Systems
  - Military Cyber protection

Expertise will also be required on cross-cutting issues such as:

- Strategic technology foresight
- ITAR-related components in Europe's armament systems
- Military standards and interoperability
- Military ethical, legal and societal aspects

Prospective independent experts shall also have appropriate language skills in particular in English for the tasks to be carried out.

3. **Registrations** must be submitted via the following address:

<http://ec.europa.eu/research/participants/portal/desktop/en/experts/index.html>

The call for expression of interest is permanently open (no deadline).

However, early application is encouraged, since the first experts will have to be appointed in the third quarter of 2017.

Experts who already registered in the Participant Portal database of independent experts are invited to access the following website, to declare their interest in PADR assignments (and update their area of expertise):

<https://ec.europa.eu/research/participants/experts/profile/index.jsf>

4. EDA will use the database for selecting the experts it needs.

The experts will be selected on the basis of the technical skills, experience and knowledge and language skills needed.

In addition, EDA will seek a balanced composition within the expert groups in terms of various skills, experience, and knowledge, geographical diversity and gender.

Moreover, EDA will ensure a reasonable rotation of independent experts for proposal evaluation from one year to the next.

If needed and duly justified, EDA may exceptionally also select experts from outside the database.

5.  Please note:

If selected, you will need to get appropriate security clearance before appointment, and need to be validated by the Member State that issued the security clearance<sup>1</sup>.

Selected experts may be managed via the Participant Portal. By submitting this application, you agree to accept to use the Participant Portal electronic exchange system in accordance with the Participant Portal Terms & Conditions.

All sections of the application form must be completed (and kept up-to-date). Areas of expertise and professional experience must be adequately detailed and documented.

Your registration will be considered complete only once marked as valid.

The personal data collected in the context of this call will be processed in accordance with Regulation No 45/2001<sup>2</sup>.

Your name may be published in accordance with Article 204 of Regulation No 966/2012<sup>3</sup> and Article 287 of Regulation No 1268/2012<sup>4</sup>.

You will be required to agree to a code of conduct (including confidentiality aspects) and to confirm that there is no conflict of interest for each assignment.
