

Lodz University of Technology is one of the finest universities of technology in Poland. Its tradition and experience in training professionals and conducting research date back more than 75 years. It is an attractive partner for business. It cooperates with the largest national and international corporations. It conducts research of a European standard, develops new technologies and creates innovation in collaboration with the leading research centres all over the world. One of the pillars of Lodz University of Technology management is equal treatment of staff regardless of their gender, age, race or other demographic and social characteristics. In 2016, Techncl University of Lodz was the first technical university in Poland to receive the HR EXCELLENCE IN RESEARCH award certifying that the University adheres to the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

1. The requirements for the candidate (description of the exact knowledge, qualifications, competencies and professional experience):
 - Completion of higher education and a doctoral degree in field of materials science (
 - Documented significant scientific achievements in the discipline of materials engineering especially in field of synthesis and functionalisation of carbon nanomaterials such as graphene and graphene quantum dots. Scientific output in field of: synthesis and researches on lithium ion batteries, photovoltaic cells, water and air filters, spatial structures devoted to hydrogen storage, composites with application of carbon nanostructures. Scientific output hast to be confirmed via scientific publications, patent applications, attend in projects.
 - Experience in realization of research and research-development project in field of synthesis and functionalisation of carbon nanostructures.
 - Experience in terms of didactics at university, especially in field of: Metal Materials, Metal Materials with Specific Properties, Material Science, classes based on RPBL methods, Construction projects, Information Technologies. Documented experience in field of modern teaching competences.
 - Documented experience in field of preparation as well as non-destructive tests of composites.
 - Knowledge of English at level which will allow to conduct classes
 - Knowledge of Polish at profficient level to conduct classes
2. Definition of working conditions and entitlements related to the position.
 - full-time
3. Description of the expected scope of tasks and responsibilities:
 - conducting scientific research in the discipline of Material Engineering
 - preparation of scientific publications
 - preparing proposals for domestic and foreign projects
 - conducting didactic classes in Polish
 - organizational work for the benefit of the University, Faculty and Department
4. List of required documents:
 - 1) Application for employment to the JM Rector of the Technical University of Lodz;

2) Personal questionnaire for a person applying for employment at the Technical University of Lodz, constituting Attachment No. 1.1 to "POLICY OTM-R - OPEN TRANSPARENT MERITORIAL RECRUITMENT PROCESS";

3) Self-reference describing previous scientific, teaching and organizational activities;

4) A list of publications with scoring according to the current list of journals provided on the website of the Ministry of Science and Higher Education;

5) Confirmed copy of a master's degree in Material Engineering

6) A certified copy of the act of awarding a doctoral degree;

7) Personal data protection clause, attached as Appendix No. 1.2 to the "OTM-R POLICY - OPEN MERITORIAL RECRUITMENT PROCESS";

8) Consent to the processing of personal data, constituting Annex No. 1.3 to the "OTM-R POLICY - OPEN TRANSPARENT MERITORIAL RECRUITMENT PROCESS";

9) Candidate's statement that the LAC will be the primary place of work;

7) Description of scientific achievements;

8) Other documents confirming qualifications.

5. Place, form and deadline for submission of documents (with indication of the possibility of their collection).

Documents should be submitted:

- to the secretariat of the Department Institute of Materials Science of the Technical University of Łódź, 93-590 Łódź, Al. Stefanowskiego 1/15 , building A18 4 floor, room no. 444, or sent by e-mail to inzynieria.materialowa@info.p.lodz.pl

- or send by post to the mailing address: Technical University of Lodz Institute of Materials Science and Engineering, 90-924 Lodz, 116 Żeromskiego Street,

- by 28 October until 14:30.

6. Contact person and postal and electronic address to which documents and scans can be sent to:

- Institute of Materials Science and Engineering, 90-924 Lodz, 116 Żeromskiego Street,

inzynieria.materialowa@info.p.lodz.pl

Anticipated date of the outcome of the competition: 7 November 2022.

**PERSONAL INFORMATION FORM
FOR APPLICANTS FOR EMPLOYMENT AT LODZ UNIVERSITY OF TECHNOLOGY**

1. First name(s) and family name

2. Date of birth

3. Contact details

(provided by the applicant)

4. Education (where required for specific duties or jobs)

.....

(name of school and graduation date)

.....

(occupation, specialisation, degree, professional title, academic title)

5. Professional qualifications (where required for specific duties or jobs)

.....

(courses, postgraduate education, other forms of further development of knowledge and skills)

6. Employment history (where required for specific duties or jobs)

.....

.....

.....

(employment periods and jobs held at previous employers')

7. Additional personal information, where the right or the duty to disclose it exists under specific regulations.....

.....

.....

.....

(place and date)

(signature of the applicant)

Data Privacy Statement for job candidates

Pursuant to Article 13(1) and (2) of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation, Official Journal of the EU L 119/1), hereinafter referred to as "GDPR", we inform you as follows:

- 1) Lodz University of Technology with the registered office in Lodz is the Controller of your personal data;
- 2) We have appointed a Data Protection Officer to supervise the compliance of personal data processing, who can be contacted in matters concerning the protection of your personal data at the following e-mail address: rbi@adm.p.lodz.pl; telephone number: 42 631 2039; or in writing to the address of our registered office: Lodz University of Technology, Żeromskiego 116, 90-924 Łódź;
- 3) As the controller, we will process your data for the purpose of the recruitment process for the position indicated, based on your consent (Article 6(1)(a) GDPR);
- 4) You have the right to withdraw your consent to the processing of your personal data at any time, but such withdrawal shall not affect the lawfulness of the processing effected on the basis of your consent prior to its withdrawal;
- 5) You have the right to lodge an objection against the processing of the data as set out above at any time. We will cease to process your data for these purposes unless we can demonstrate that there are compelling legitimate grounds for us to do so which override your interests, rights, and freedoms, or that your data will be required for the possible establishment, assertion, or defense of claims;
- 6) Your personal data provided in the CV, personal information form for the applicant for employment, and copies of documents supporting your professional experience, education, additional credentials and qualifications will be processed for the period in which claims related to the recruitment process may arise, i.e. for 6 months following the conclusion of the recruitment process. For individuals who have given their consent to the processing of personal data for the purposes of future recruitment, for a period of 12 months following the conclusion of the recruitment process during which the consent has been given;
- 7) Only individuals authorized by the Controller to process your data in the performance of their duties will have access to your data;
- 8) Your personal data will not undergo automated processing and will not be subject to profiling;
- 9) Under GDPR, you shall further have:
 - a) the right to access your data and to receive copies thereof,
 - b) the right to rectification (amendment) of your data,
 - c) the right to erasure/to be forgotten, restriction of data processing,
 - d) the right to data portability,
 - e) right to file a complaint to the supervisory authority - President of the Personal Data Protection Office, Stawki 2, 00-193 Warsaw.
